

LADIES' BANQUET UPDATE

"SISTERS HELPING SISTERS"

Hello Ladies!

I wanted to send out the details of the Ladies' Banquet, scheduled for October 24th. As of now, we are still set to proceed. Doors will open at 5:30 for guests to find their hostess table and tour the others. We will take the necessary precautions per Covid, to ensure everyone's safety, yet allow for a great time of fellowship and fun. I have missed you all so much and I am certain I am not alone in that. Spending time with our sisters in Christ is essential, I believe. Below you will see a list of information and details for hostesses. I have some already signed up that have committed to decorating a table, but, I still need more to make this fund raiser a success. **The Women's Shelter of Davidson County** is so excited to be the recipient of the proceeds from this banquet and to bring awareness to the public of what they do and to help women and children during crisis situations.

Please feel free to call me or text me to sign up to hostess and decorate a table, or with any questions I can answer. **Kay Hedrick- 336.473.4259**. For any new members that have not attended or been a part of these banquets in the past, you are in for a treat! We have always had a great time, great food and the tables are all so unique and beautiful to see!

1. Sign up to hostess a table and sell 8 tickets, (that includes hostess ticket, as this is a fund raiser) Tickets are \$15.00 each, and tables seat 8 people. I will get tickets to each hostess as soon as possible.
2. Ticket money can be turned in after yours are all sold, or **by Saturday, October 17th**. You can give it to Rocky, Linda Leonard or me.
3. The CFC has round tables that we will use, or rectangle if you would prefer.
4. There are black and white tablecloths available to use. First come first serve, so let me know if you need one and which color. If you prefer to use your own tablecloth, that is fine. The round tables are 60" and require a 120" tablecloth if you want it floor length.
5. We will use the white dishes in the CFC kitchen, glasses and silverware. Unless you prefer to bring your own. Please provide your own napkins.
6. Hostesses can decorate as they choose. Holiday, special occasion, seasonal, etc....we have had such a variety in the past! Pinterest is full of ideas in case you have trouble coming up with a theme or centerpiece.
7. The CFC will be open on Friday, October 23 for anyone who wants to set up/decorate their tables and all day on Saturday the 24th.
8. Hostesses should be at church by 4:30 to complete any last minute details and to be ready for guests arriving at 5:30.
9. The menu consists of chicken cordon bleu, baked potato, salad, rolls and dessert. We will have tea, water and coffee.

Thank you all in advance!

Kay
