

Maloy Ministry Moments

April 1st, 2019

March. Like a revolving door, our staff teammates come & go, taking students on Spring Break missions trips across the country & the globe. At a recent staff meeting, our emaciated team of four staff praised God for what He accomplished through the small team of Charleston Southern University students & staff who had just returned from reaching NYC college students with the Gospel. While we were doing that, several Citadel cadets (the first Spring Breakers from that school) & a handful of Coastal Carolina students & volunteers were about to take their turn on those same NYC campuses. We hurried to wrap up our meeting in order to host Purdue, who would spend their Spring Break in Charleston sharing Christ's love on our local campuses. Finally, the College of Charleston would send a team of 11 the following week to take the Gospel & clean water solutions to villages in Belize in partnership with Filter of Hope.

From our different corners of the city, country, and the globe, a "Praise God!" would echo as we'd learn about another precious individual who heard the Gospel through our students & staff & made the decision to accept Christ. Please join us in thanking God for these students, volunteers, & staff who took big steps of faith, for local staff & students who will be following up with new believers, & for each "not-yet Christian" who heard the Gospel to take their next step of faith toward Christ.

By the Numbers

Belize—93 Gospel conversations, 62 filters distributed, 3 new believers

CSU in NYC—65 spiritual conversations, 15 Gospel presentations

Citadel & CCU in NYC—58 spiritual conversations, 28 Gospel presentations, 2 new believers

Prayer Requests

Pray that momentum from these trips yield students excited & eager to share and serve in their college movements.

Also, one urgent need is that we are *still* in need of at least one more male student to apply to our Quito summer mission. It is causing some logistical issues.

We are so excited to welcome several new interns, volunteers, & part-time staff to our team! Please pray for our team as we train & assign them ministry roles over the summer.
